## Disinfection – Rules ... so it will work well !

When entering the restaurant at the entrance, disinfect your Hands until above your wrists.

Do not touch anything other than the equipment on the table and chairs.

Take the path to the toilet area straight ahead through the restaurant.

Before entering the toilets, please disinfect the hands on the dispenser until over your wrists.

The same on the way back to the table!

If you have to sneeze or cough, please do so in the crook of your arm.  
Disinfectant for hands and clothes after sneezing or cough is available and will be brought by the waiter to the table.

Disinfectants you can order on the table any time.

We thank you for your cooperation!
